

## Call for Papers

a Session on

# Mechatronics and Precision Manufacturing

2018 International Symposium on Flexible Automation (ISFA2018)  
Conference Center of the Kanazawa Chamber of Commerce and Industry  
July 15-19, 2018, Kanazawa, Ishikawa, Japan

---

### Session Technical Focus

Mechatronics and Precision Manufacturing technologies significantly impact the quality, productivity, and environmental compatibility of manufacturing processes. We cordially invite you to submit a paper to share your knowledge and expertise in all areas related to **Mechatronics and Precision Manufacturing**. Papers from the industrial sector are particularly encouraged. The session welcomes both theoretical and applied papers. Topics of interest in the organized session include, but are not limited to, design, manufacture, modeling, planning, optimization, control, and metrology of high precision machine tools and components.

### Paper Submission

The deadline for submission of your contribution to this session is **January 15<sup>th</sup>, 2018**. Both short and long papers will be considered and reviewed. For short papers, please submit an abstract of 300-500 words (a camera-ready manuscript is limited to 2 or 4 pages) and, for long papers, please submit a manuscript of no more than eight pages. All summaries and manuscripts should be submitted through the conference website at <http://w3a.kanazawa-it.ac.jp/ISFA2018/>.

### Session Organizers

**Kakinuma, Yasuhiro**, Keio University  
**Sato, Ryuta**, Kobe University,  
**Zheng, Minghui**, University of Buffalo  
**Zhao, Jianguo**, Colorado State University
