

Call for Papers

a Session on

Textile and/or Yarn Process Automation

2018 International Symposium on Flexible Automation (ISFA2018)
Conference Center of the Kanazawa Chamber of Commerce and Industry
July 15-19, 2018, Kanazawa, Ishikawa, Japan

Session Technical Focus

The host city Kanazawa is the principal city of Hokuriku region, where textile industry has flourished throughout the ages and there still are many world famous textile makers and textile machinery makers today. We cordially invite you to submit a paper to share your knowledge and expertise in all areas related to **Textile and/or Yarn Process Automation**. Papers from the industrial sector are particularly encouraged. The session welcomes both theoretical and applied papers in areas including, but not limited to:

- Automation technologies related to produce textile and/or yarn
- 3D design and modeling for processing textile
- Internet of Things ideas and technologies related to produce textile and/or yarn

Paper Submission

The deadline for submission of your contribution to this session is **January 15th, 2018**. Both short and long papers will be considered and reviewed. For short papers, please submit an abstract of 300-500 words (a camera-ready manuscript is limited to 2 or 4 pages) and, for long papers, please submit a manuscript of no more than eight pages. All summaries and manuscripts should be submitted through the conference website at <http://w3a.kanazawa-it.ac.jp/ISFA2018/>.
